

# Trident Infosol @ IRSI 2017

NEWSLETTER

19<sup>th</sup> Dec. 2017  
Bangalore

Trident infosol participated in 11th International Radar Symposium India 2017 (IRSI-17) conducted from 12th-16th Dec 2017 at NIMHANS Convention Centre, Bangalore INDIA.

Trident infosol showcased its radar subsystems and solutions for Airborne, Naval and Ground Radars. Trident infosol offers system integration services for various signal processing applications meeting demanding requirements. Integrated systems are delivered more quickly and economically, allowing for higher productivity at the application development level. We provide open architecture Commercial Off-The-Shelf (COTS) based solutions for mission computing, electronic warfare, radar and other ISR systems that are more capable, interoperable and affordable than ever before.
